Yakima Valley Farm Workers Clinic (YVFWC) is a local, nonprofit, community-driven, and patient-centered health care organization. It provides comprehensive and cost-effective care options for the most underserved communities in Benton, Franklin, Spokane, Walla Walla, Whitman, and Yakima counties and surrounding areas including Oregon. YVFWC has over 47 years of experience providing essential services efficiently.

Patients by Insurance Status

Experienced

47 years of delivering quality primary care tailored to the needs of underserved populations.

1,584 (FTE) staff provide primary care services, preventive services, and wraparound services. YVFWC ensures that its care is culturally appropriate, in part by employing bi- or multilingual staff.

Patients represent a majority of members on the YVFWC Board. This ensures that care is responsive to patients' needs.

Essential

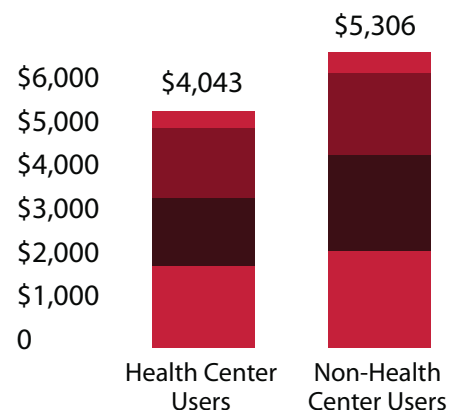

YVFWC has seen a **41.71% increase** in the number of total patients in the last 10 years.

YVFWC connects patients to a health care home, which reduces health care disparities.

Together we are dedicated to lead, with the courage to care, the determination to promote personal growth, and the compassion to champion the cause of those who have no voice.

Efficient

Nationwide, CHCs save \$1,263 in Medicaid dollars per patient per year.
